- **Allan Mboti** – Software Developer at Eujim Solutions (+254 759606091)

- **Dr. Patrick Bii** – Lecturer University of Kabianga (+254701040642)

Professional Summary

I am a passionate and skilled Software Developer with expertise in both web and mobile application development. In web development, I have strong proficiency in HTML, CSS, JavaScript, Bootstrap, React.js, and Django, enabling me to build responsive, dynamic, and scalable web applications. For mobile development, I specialize in Flutter and React Native, crafting intuitive and high-performance cross-platform applications. I am a problem-solver, a continuous learner, and a dedicated developer eager to contribute innovative solutions to the tech industry.
